### SELECTMEN'S REPORT

A public hearing was held in Dighton by the Department of Public Works concerning the proposed location of the new Berkley-Dighton Bridge.

At this meeting the new line for the bridge was discussed and will be approximately 2,500 feet from the present bridge. This will require the construction of a new highway that will connect Route 24 in Berkley with Route 138 in Dighton.

Several gravel roads in Berkley were improved with funds made available to the Town.

The plan layout of a section of North Main Street was accepted by the Town for improvement. This reconstruction may be put out for bids in 1971.

We wish to express our appreciation to all for their co-operation in the conduct of the Town's business.

Respectfully submitted,

HAROLD G. ASHLEY  
EINO H. SILVAN  
ARTHUR P. MILLER  
Selectmen

Again I thank the Selectmen, Police Officers, Firefighters, State Police, Registry, and All others for their excellent co-operation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY  
Chief of Police

**REPORT OF THE FIRE CHIEF**

The Board of Selectmen:

Town of Berkley

Gentlemen:

During 1970 the Fire Department answered 70 fire calls:

Grass and brush	40
Building, heating and building equipment	12
Motor vehicle and accidents	10
Town dump and private dumps	8

Under Mutual aid there were 2 assists to Dighton, 1 to Taunton and 1 to Lakeville. The State Fire Marshall was called to investigate and determine the origins of four building fires of suspicious origin.

The fire department personnel also answered to a total of 96 ambulance calls: 33 to Morton Hospital from homes, 18 to other area hospitals from homes, 16 transfers from hospital to residences or rest homes, 20 were for auto and highway accidents, 5 of which the ambulance was not needed and 4 miscellaneous. The demand for these services increases at the home service of Doctors decreases.

Our new custom built 1970 - Ford - 750 gallon pumper with a 1,000 gallon tank is in it's final steps of completion as to this date and should be in service by the annual town meeting.

The Control of Air Pollution adopted under the provision of Section 142D, Chapter 111, General Laws as inserted by Chapter 836 of the Acts of 1969 became effective September 15, 1970. These are State Regulations and must be enforced by the towns and cities of the Commonwealth. As of July 1, 1971, all burning in incinerator (barrels) must be stopped. I believe these regulations are here to stay and we must all make the best of them.

I wish to thank the residents of the towns for their cooperation and understanding in an effort to keep fires to a minimum. I also wish to thank the members of the Fire Department, Police Department, Town Board of Health, and all others who have helped me carry out the duties of this office.

Respectfully submitted,

FRANCIS E. FOURNIER  
Fire Chief

## BERKLEY LIBRARY REPORT

To the Trustees of the library and the townspeople:

As I present my thirteenth annual report, I would like to depart from my usual plan, and dedicate this report to the memory of the three members of the Howland Family, whom I knew; and to their parents.

MR. AND MRS. JOSEPH HOWLAND

MISS JESSIE HOWLAND

MISS RUTH E. HOWLAND

MRS. LAURA SWIFT HOWLAND

Joseph Howland was one of the energetic townsmen who fought for the establishment of this library, and urged action and got it from the Andrew Carnegie Funds. To his wife, Lizzie (Johnson) Howland who carried on as Library Trustee after the death of her husband . . . To Jessie and Ruth who held dear the library precedents held by their parents; and to Laura who served as Librarian here from 1936 until 1957. In Memoriam, this report is dedicated.

The Library schedule of hours open is at present the same as in 1969. If a different schedule would help YOU to use the library more conveniently, let us know about it.

The Jr. Hi pupils occupy the most prominent place in our schedule. Eight classes attend regularly, accompanied by Mrs. Dean, Mr. Martin and Mr. Pring. We have appreciated greatly the degree of cooperation from the School officials. A brief instructional session on various library topics has been held each week and has seemed to be helpful.

Newbery and Caldecott Reading Clubs have been conducted and suitable certificates have been awarded. Story Hours were held during the summer and proved to be very popular with the youngsters. Many thanks to our Story Ladies, Eleanor Dillingham, Diane Ennis and June Moskal.

An exhibit of new books were displayed for National Children's Book Week and they were appreciated by the patrons.

The Eastern Regional Bookmobile plays its large part in our having a goodly supply of varied materials for our people and loaned us some 1,740 volumes.

Books borrowed for the Inter-Library Loan plan totaled 216 special request volumes. Our thanks to Ruth Synan and

her capable staff at Taunton. Also our thanks to our new Bookmobile Librarian, Ann Kerr and our helpful Mr. McManus.

A 16mm. movie projector is now on loan to the library from the Eastern Region. It will be housed at Taunton, and available to us. You will hear more about its use.

As of December 31st we have:

Borrowers: Adult 268, Juvenile 400	Total	668
Circulation: Adult 7,536, Juvenile 10,493	Total	18,029
Books added: by Town purchase 294, gifts 96	Total	390

Library material has been donated by the following people: Mr. Herbert Smith, Mr. Majcher, C. Trenouth, E. Whittaker, William Silva, Eleanor Dillingham, Elaine Hewitt, Mary Coombs, Sue Harrison, Rita Harrison, Lawrence Swift, Doris Trond, W. Craven, Swartz Office Supply, Taunton Book Mart, Berkley Lion's Club, K. Coombs family, S. Waterfield family, M. Woodward family, H. Milko family, Mrs. Lilian Wood. Thank you, one and all. A special thanks to Elwell Perry for the historical brochure on Berkley.

My sincere appreciation to the Trustees and their understanding and unfailing encouragement, and to my hard working assistant, Doris Trond.

Respectfully submitted,

HELEN M. CRAVEN  
Librarian

## REPORT OF THE TRUSTEES OF THE BERKLEY PUBLIC LIBRARY

Regular meetings of the board of trustees are held on the third Wednesday of each month at the library at 8:00 p.m. Walter Craven is Chairman of the Board and Carolyn Milko is secretary.

The downstairs hall is presently being used by the following groups for their meetings: Junior Girl Scouts, Webelos, 4-H Sewing Club and Planning Board.

The basement entrance under the front stairs of the library was blocked off with a doorway for the protection of youngsters who play in the area. However, once again we have an instance of vandalism which means we have to use

library funds to make repairs. Even though we expect to receive added money in state aid this year, increased costs in almost all categories means that we can not buy as many books as we would like.

A series of story hours was held during August with good attendance in the three age groups. The final story hour concluded with a lawn party which was enjoyed by the children and those grownups attending. Our thanks to the story tellers and mothers who helped with the party.

Our special thanks to Helen Craven, librarian, and Doris Trond, her assistant, for their usual efficient running of the library and assistance, beyond the call of duty, to its patrons.

Respectfully submitted,  
WALTER CRAVEN

CAROLYN MILKO

## REPORT OF THE PLANNING BOARD

During 1970 there were 9 plans of land, not requiring approval uunder the Sub-division Control Law, received and recorded by the Planning Board. There were no new sub-divisions during the year.

A by-law regulating the use of mobil-homes was approved by the voters at a special Town Meeting and has been approved by the Attorney General.

Ernest J. Poirier served as Representative to South-eastern Regional Planning and Economic Development District.

Nathan Holmes and Chester A. Strickland served as chairman and member of the Soil Conservation Commission.

The Board is planning to update the Rules and Regulations Governing The Subdivision of Land in 1971.

The Planning Board continues to meet on the Third Monday of each month at 7:30 P.M. in the Public Library Basement.

Respectfully submitted,  
GEORGE A. MOITOA  
Chairman

## REPORT OF BERKLEY FINANCE COMMITTEE

All other reports tell what was done in 1970, we believe the Finance Committee should report what is asked for the year 1971.

As this report is written, January 27, 1971, most requests by the various departments have been submitted.

Budget requests for 1971 represent an increase of \$101,037.00 over the amount voted at the 1970 town meeting. The largest increase is in the School Budget, an increase of \$74,707.00 over 1970.

After holding hearings on all requests the Finance committee can recommend in cuts in the budget requests amounts to peanuts, as some people looking for more money at the town meeting will call it, but with the high taxes that the people are carrying even peanuts are a help.

In past years the people of Berkley have supported the Finance Committee and it is important that they turn out at the 1971 meeting, after all it is their money that will be spent.

Respectfully submitted,

BERKLEY FINANCE COMMITTEE

## REPORT OF THE DOG OFFICER 1970

To the Board of Selectmen:  
Town of Berkley  
Gentlemen:

There were 23 stray dogs confined and 8 dog complaints answered, also 3 dead dogs.

Respectfully submitted,

JOSEPH H. MARSHALL  
Dog Officer

**REPORT OF THE INSPECTOR OF ANIMALS**

To the Board of Selectmen:  
Town of Berkley

Gentlemen:

During the year I was called to quarantine eight dogs. Each was declared free of rabies after a period of at least ten days and released. I have also inspected barns and animals.

On December 1, 1970 the Commonwealth took over the duties of inspecting slaughtered animals. No information has been received by me as direction for procedure for contact.

Respectfully submitted,

MERLE J. E. STETSON  
Inspector of Animals

**INDUSTRIAL DEVELOPMENT COMMISSION  
OF BERKLEY, MASS.****ANNUAL REPORT**

During the year 1970 several meetings were held by the Industrial Development Commission of the town of Berkley at the Berkley Junior High School.

The meetings, well attended by members of the Commission kept the organization fully informed of all new developments within Bristol County and the Commonwealth of Massachusetts.

The meetings covered many important matters of general interest. New ideas were discussed and many valuable suggestions offered pertaining to advertising and locations for new business or industries.

A number of industrial corporations showed interest in available industrial and business locations during the year and we are pleased to announce that one of them may decide to locate in our town in the not to distant future.

We also noted during the year the improvements and expansion of the present businesses in our town.

Respectfully submitted,

EDMOND B. ST. YVES  
Secretary

## BOARD OF HEALTH REPORT FOR 1970

Regular monthly meetings of the Board were held on the second Tuesday of each month at the Berkley Junior High School.

In March Garland Templeton was elected Chairman and Betty Ford was elected Clerk.

During the month of April the Board arranged a Rabies Clinic held at the Town Hall. It proved to be quite successful and the Board hopes to make this clinic available at least every two years.

There were three piggery permits, four transporting of garbage permits, three private dump permits, and two camping ground permits issued.

The past year we have been working on the plans for a new dump. It is the wish of this Board to have the plans ready for approval by the town in early Spring.

At this time we would like to express our appreciation to the Town Officials and Town citizens for their co-operation in our duties.

Respectfully submitted,

THE BOARD OF HEALTH

GARLAND TEMPLETON, Chairman

BETTY L. FORD, Clerk and member

MARY S. FLINT, Member

## BRISTOL COUNTY MOSQUITO CONTROL PROJECT ANNUAL REPORT—BERKLEY, MASS.

December 31, 1970

On June 30, 1971, the Bristol County Mosquito Control Project will complete twelve years of service to the Town of Berkley and eighteen other communities in the County.

The past year was an extremely busy one with a very heavy influx of mosquitoes and the appearance of equine encephalitis in the southeastern section of the State in mid-July.

Of the fifty-five horse cases reported, Bristol County was fortunate to have recorded only five. One human case was reported in Plymouth County. The towns involved in Bristol County were Westport (1), Dartmouth (1), Acushnet (1) and Raynham (2).

Our drainage program was hampered by the breakdown of our tractor-trencher. However, we have purchased a new one and it is currently at work on the backlog of drainage requests that have been prevalent over the past year.

The larvicide program began in March and continued until spraying operations began with approximately 48 acres being treated.

Our sprayers were mounted in late April as mild weather prevailed and continued until after the last case of encephalitis was reported in October.

As spraying operations ceased, the reclaiming of brooks and streams began, resulting in the removal of obstructions and debris from 650 feet of existing waterways. 75 feet of brush were removed to speed the flow of water.

The Project tractor-trencher was instrumental in the removal of 2,200 feet of ditching in areas where hand-work was impractical.

All catch basins were checked and treated if found to contain mosquito larvae.

The Project is now being aided in its efforts to control mosquitoes by Mr. Clarence Tourville, Entomologist, who recently joined the State Reclamation Board.

I would like to make it known that this Project does not, and will not use any insecticides without the approval of the State Pesticide Board.

Respectfully submitted,

FRANK W. DILLINGHAM

Superintendent

## 4. COMMENT

Again this year the total outstanding amount of taxes owned the town has been substantially decreased, total outstanding represents about one tenth of the total commitment on January 1st, 1970. With the high cost of interest for the Town to borrow money this must be reduced even more. I'm sure that to continue my present program to pay up back taxes will soon bring this amount even lower.

I'd like to take this opportunity to thank the many Town Officials and residents of the town for their help and assistance given me during the year.

Respectfully submitted,

ALFRED T. TOWNLEY, III  
Collector of Taxes

## GENERAL INFORMATION

### Birth Certificates

Presentation of a birth certificate is required for entrance to the first grade.

### Vaccination

Every child who enters school for the first time must present a doctor's certificate of immunization against smallpox, diphtheria, tetanus, whooping cough, measles and polio or a statement from his physician that vaccination is inadvisable.

### No School Information

When weather conditions are such that our buses are unable to run, a no school notice will be broadcast over Radio Station WSAR, Fall River, Radio Station WPEP, Taunton, Radio Station WPRO Providence, and Radio Station WAEA Attleboro. Parents are urged to use their own judgment about sending their children to school on stormy days. The fact that school is in session does not mean that attendance by all pupils is advisable.

### Transportation

The law requires that transportation be provided for pupils residing more than two miles from the school attended or more than one mile from the nearest bus stop. Many pupils living at lesser distances along the established routes are transported if the seating capacity of the bus will permit. From time to time it is necessary to refuse transportation to some of those living under the required distance when our buses are filled to capacity with children living at a greater distance.

### Entrance Age

First grade registration in September of any year will be limited to those children who are at least six years of age or who will become six years of age on or before the following January first. There will be no exception to this ruling. Registration must be during the first three weeks of school in September.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I hereby submit my sixteenth annual report. Incorporated herein is the report of the Berkley School Committee, the School Nurse, the Principal and the Music Department.

### Personnel

Two elementary teachers left our system in June to become housewives. Mrs. Marjorie Nelson who had taught in Brockton was hired to replace Mrs. Mary Lou Pursley as first grade teacher. Miss Joanne Hadley, a recent graduate of Bridgewater replaced Miss Kathryn Collins as teacher of an intermediate class. Mrs. Janet Lottmann was appointed to the position of transition teacher for grades one through three. This teacher is an important person in the continuous progress plan.

At the Junior High School Mr. Roland Tardiff left to seek another position and he was replaced as a science teacher by Miss Sherry Medeiros a graduate of Stonehill College. Mrs. Barbara Wallace a part-time elementary music supervisor and Mrs. Carolyn Nowell a part-time junior high music teacher both left to devote more time to the Dighton Schools. Mrs. Rita Santos, a graduate of the University of Massachusetts, took both positions on a full time basis. Miss Kaaren Harrington girls physical education teacher left to teach in Mansfield. She was replaced by Miss Elizabeth Meunier a graduate of Bridgewater. Mrs. Carol Angus also teaches physical education one half day a week to help Miss Meunier who is available only one day a week. Mrs. Norma Collins a graduate of State College at Framingham replaces Mrs. Jean Baldwin as home economics teacher. We have been able to secure good candidates as our salary schedule is competitive with area schools and we have had numerous people applying.

### Finances

The 1971 budget shows an increase of \$69,857.00. Of the increase the greatest factor is the increase in tuition due to an increase in the tuition rate and an increase of twenty pupils attending high school. This increase amount to \$31,-775.00. Teachers salaries have increased by \$22,220.00. One and a half new teachers were hired which represents about \$7,000.00 of the increase, the remainder is due to an increase

in the salary schedule. Other increases are transportation \$4,000.00; equipment \$2,700.00; special education \$3,000.00. The total increase is 18% above the 1970 budget and 8% of the total is tuition.

### **Enrollment and Buildings**

The total enrollment increase is five pupils more than last year. We are utilizing all rooms at the Junior High School and moved the special class to Rehoboth this year to make room for regular classes. At the Elementary School classes are held in the library and the health room. We are truly running out of space and hope some relief will be forthcoming soon. The buildings have been kept in good repair by Mr. Tedfield Majcher and Mr. Richard Babbitt. The largest repair item during the past year was replacing the roofing at the Junior High School.

### **Program**

Mr. Edward Canuel, principal and his staff have instituted a continuous progress program through grade seven. This allows pupils to progress at their own rate in reading and mathematics. We have been able to provide teaching for those who need extra help to keep progressing. We have improved the science, industrial arts and home economics programs at the Junior High School by allowing these classes more space with the special class moving out. All special classes are located in Rehoboth Schools. This allows children who need special help to be placed in groups of the same age. The cost of special class is shared with Dighton and Rehoboth on a pro-rated basis. Transportation to the classes is shared with Dighton.

### **Conclusion**

I want to commend Mrs. Adele Viveiros and her staff for producing fine lunches at no cost to the Town. The Federal reimbursement has increased from 9¢ to 12¢ per lunch. This increase along with the 25¢ charge for lunches and surplus commodities is all that Mrs. Viveiros has for finances. These people do an excellent job.

Mrs. Elizabeth Deal's work load as a nurse has increased as has that of all nurses due to increased enrollment and increased required examination. Her hours have been increased to help her accomplish all her required duties.

I wish to thank the P.T.A. and other civic organizations for their help during the past year.

Finally I wish to express the appreciation of the School Committee and myself for Mr. Edward Canuel Principal and his faculty. They are a hardworking group and very dedicated to the children of Berkley.

As citizens I hope you will visit our schools and support the programs we institute to help your children to be better able to succeed.

Respectfully submitted,

ROBERT T. ROY

Superintendent of Schools

## REPORT OF THE PRINCIPAL

Mr. Robert T. Roy  
Superintendent of Schools

Dear Mr. Roy:

I hereby submit my second annual report as principal of the Berkley Public Schools.

### Curriculum

Our "Continuous Progress Plan" of instruction now includes seven grades. The Reading and Mathematics programs have been set up with twenty-five and thirty levels respectively.

The addition of a transition teacher at the primary level, the regrouping of our intermediate students into four classrooms, and the transferring of the Opportunity Class to the Dorothy L. Beckwith Middle School have enabled us to provide more individual attention, to lessen the number of levels for any one teacher, and to make use of additional space in our schools.

Certain programs were augmented in our schools. The Industrial Arts, Physical Education, and Music courses were increased. Literature was offered to certain junior high school classes to enrich their Reading programs.

Among the new textbooks evaluated and selected by the faculty were: new Science series for grades 4-8, new spelling series for grades 1-6, and a new Social Studies text at the junior high school.

This year also saw changes in our reporting system. The new report cards were designed in simple terms to be informative to students and parents. Along with our annual parent-teacher conferences at the elementary level, we have endeavored to report pupil progress in a meaningful way.

### Programs

An ESEA-Title II grant has again helped to develop our school library with additional books and audio-visual materials. Our library now numbers over 1,500 books.

A NDEA-Title grant has provided us with a multi-level reading program. We received a control reader with filmstrips. This reading program is used in conjunction with our

regular reading curriculum. It provides developmental, corrective, and/or remedial programs for both individuals and/or groups of students.

A Title VI grant has enabled us to provide a tutorial and resource program to identify and help perceptually handicapped children in the primary grades.

### Summer Readiness Program

Our five week summer program for pre-schoolers enrolled its largest class this year. More parents seem to be taking advantage of this readiness program.

During the summer, students are evaluated as to readiness for first grade reading. We provide a varied program. Language, mathematics, music, art, etc. help develop the language, auditory, visual, and motor skills of the students.

### Extra-Curricular Activities

Our Music program offers Glee Clubs and Band for intermediate and junior high school students. Our own Berkley Band was formed and developed this year. The Music department culminated the musical endeavors of our students with two very successful spring programs.

This year saw the introduction of a drama group at the junior high school. This group, under the direction of Mr. Edward Martin, produced the play "Father Keeps House".

Our sports program provides a variety of activities for our student body. Boys may participate in basketball and baseball varsity teams and intramural flag football. Our baseball team enjoyed a baseball clinic at Fenway Park sponsored by the Boston Red Sox. Girls form an energetic cheerleading squad and may participate in intramural softball and volleyball. Our intramural programs were most successful in that nearly 80% of our junior high school students participated. Once again a field day culminated the athletic programs for the year.

Among the educational and recreational field trips enjoyed by our students were visits to: Peabody Museum, Angel Memorial Animal Hospital, Logan Airport, Fall River Airport, National Wax Museum, Buttonwood Park, Roger Williams Park, Prudential Center, the movie "Oliver", and the Mayflower.

### General

Mr. Bradford Richmond, head teacher at the junior high school, has helped greatly to make the junior high school function smoothly. His interest and support have enabled me to concentrate on administrative problems and programs.

The teaching staff is doing an excellent job of teaching the children of Berkley. This report has noted program changes. The success of such programs is due in large part to the cooperation of our entire staff.

The Berkley P.T.A. has developed into a hard-working, dedicated group of parents. They have sponsored a Valentine Dance, the eight grade banquet and awards, and outside basketball backboards at the elementary school. Their monthly meetings have been interesting. Such programs as those on: social diseases, school programs, an exchange student from Vietnam, the Glee Club, etc. have been noteworthy.

The Berkley Police Association once again sponsored Christmas parties for our students.

Mrs. Helen Craven, town librarian, once again provided help and understanding to our junior high school students during their visits to the public library.

Our cafeteria workers, under the direction of Mrs. Adella Viveiros, provide the students with a hot nutritional meal at minimum cost. This proud staff has exhibited concern for our students. High student participation in our hot lunch program indicates its success.

Mr. Clarence Trenouth, who provided Berkley students with many years of safe transportation, retired this past year. We hope that his retirement years are pleasant.

### Conclusion

It is gratifying to note the interest and cooperation of parents in the Berkley Schools. This support has developed an avenue of communication between the home and the school. This continued interest and support is necessary for harmony and progress in any community. You are always welcomed at school to ascertain the scholastic development of your children.

Our students have made this year a wonderful, rich experience.

I am appreciative of the cooperation and invaluable help that you, the school committee, parents, teachers, school secretary, school nurse, cafeteria workers, janitors, teacher aides, and students have given me on every occasion. This support has made being a principal in Berkley a real pleasure.

Respectfully submitted,

EDWARD G. CANUEL  
Principal

## REPORT OF THE MUSIC SUPERVISOR OF BERKLEY

To the Superintendent of Schools:

I herewith submit my first annual report as music supervisor in Berkley for the school year 1970-1971.

I meet once a week with the primary grades, twenty minutes in each classroom, where, with assistance from the classroom teachers a full and varied musical background is provided. Rhythm instruments are available to each of these grades, and I hope to begin a rhythm band before the end of the year. The purchase of two new record players also enables the classroom teacher to carry on a richer daily program.

I visit each of the intermediate classrooms three times per week. While still stressing a development of musical ability, great emphasis is put on awareness and creativity. Approximately 50% of grades four and five participate in a chorus which put on a **Christmas program for the PTA on December 7**. They also anticipate singing in the Spring Festival.

Each of the Junior High classes receives music biweekly. Most significant at this level is to retain an awareness and an appreciation of all types of music up to, and including, present styles. Grades 6, 7, and 8 also participate in a voluntary choral program. A Christmas program was provided on December 17, and a special spring program is in the making.

All grades get marked twice a year, grades 4-8 inclusive on a letter grade basis. I am presently involved in organizing a curriculum for grades 1-8 out of which will evolve a step-wise approach for musical development.

Respectfully submitted,

RITA B. SANTOS

Music Supervisor

**REPORT OF THE SCHOOL NURSE**

Mr. Robert T. Roy  
Superintendent of Schools

Dear Mr. Roy:

I herewith submit my fourth annual report as school nurse of the Berkley schools.

This past year, the health room at the Elementary school underwent several changes in its appearance. Due to needed classroom facilities, two-thirds of the health room was converted into a small classroom and library. The remaining one-third contains two sick-room cots, the sink and storage space for medical supplies. I use part of the main office for my desk and student health records. Because of this change, I must do vision and hearing testing in the principal's office. I extend my appreciation in his cooperation and consideration in this inconvenience.

Results of vision tests, hearing tests, physical examinations and other health room reports, which are required yearly, were recorded on the individual students health records. Statistical reports of these results were sent to the state as requested.

Periodic head checks for pediculosis were performed regularly after every vacation to eliminate the threat of contagious epidemics.

I would like to thank you, Mr. Roy and Mr. Canuel for considering an extention of my duty hours and also the school committee for approving your recommendation. I will now be on duty five hours a day from nine until two o'clock. These hours will permit me to be available for first aid coverage at all recesses during the school day.

In concluding I wish to express my gratitude for the continued interest of the principal, teachers, school personnel and townspeople and to them I extend my thanks for their cooperation in the health program.

Respectfully submitted,

ELIZABETH J. DEAL, R.N.
